4					
5					
6					
7					

GRU will randomly select 114 homes based on geographical representation of the low income population (based on US Census information).

AGREEMENT

My signature indicates that I am a GRU electric customer, own and inhabit the dwelling listed on this application. I understand that I must meet U.S. Department of HUD Income Limits for low income to qualify. All of the statements are true and correct to the best of my knowledge and belief. I authorize GRU to contact any source to verify information necessary to determine my eligibility and I agree to provide GRU with any information necessary to verify my eligibility. I understand GRU's obligation is solely as a financier of energy efficiency house improvements limited to the improvements delineated in GRU LEEP Administrative Guidelines. GRU has no further obligations. I understand that efficiency measures may be deferred or declined if structural components need to be addressed. GRU inspections and energy improvement recommendations make no representation to the existing condition of the house's internal infrastructure and the final decision on renovation will be approved by the customer in consultation with their contractor. If I am eligible for the program, I give permission to GRU and its contracted agents to work on the residence listed on this form, analyze my energy and water usage prior to and after any improvements are made. I agree to take part in a one hour mandatory educational session upon completion of all repairs. I agree to schedule an energy survey with GRU within 2 weeks of eligibility notification. I will maintain a safe and clean working environment throughout the improvement period. I have been advised and understand that this application will be considered without regard to race, color, religion, creed, national origin, sex, political belief, age, status as a parent or status as a student.

I pledge to do my best to make a reasonable effort to minimize my energy and water usage within my household.
