Must be a GRU residential electric customer.

Customer Qualifications: Form must be completed and signed by the GRU electric customer of record. Rebates will not exceed the purchase price. Random on-site verification of installed/repared measures may be performed prior to issuing rebate. Rebates are subject to change without notice. Rebates are subject to approval and are contingent upon fund availability. Rebates will be issued in the form of a CREDIT on the utility bill unless specified otherwise. All rebate forms and supporting documentation are due within 30 days of installation/service. Please allow 4 to 6 weeks for processing. Missing or incorrect information will increase the processing time. This form is not intended to provide complete requirements for all programs. Please visit www.gru.com for a full, up-to-date list of restrictions.
