 Night depository payments will be posted the following business day.

ELECTRIC AND GAS SURCHARGE. A 10% surcharge levied on electric and gas charges to customers receiving such service outside City limits. The surcharge is equal to the utility tax levied on electric and gas charges to customers receiving such service inside City limits. [Sec. 27-27(c), Gainesville Code of Ordinances]

ERU. Equivalent residential unit (2,300 sq. ft.), the basic measurement used by the City to bill stormwater fees.

FLORIDA GROSS RECEIPTS TAX. A 2.5% tax on the gross receipts of electric and gas utilities in the State of Florida and recovered from all customers, regardless of tax exempt status. Gross receipts tax revenues are used for Public Education Capital Outlay funding [Chapter 12B-6, Florida Administrative Code].

FRANCHISE FEE. A fee levied by cities on electric and gas charges for services provided by GRU in their respective jurisdictions.

FUEL AND PURCHASED GAS ADJUSTMENT. The increase in the cost of fuel to GRU since October 1, 1973. Electric, natural gas, and liquid propane gas fuel adjustment charges are exempt from utility taxes [Sec. 166-231, Florida Statutes].

KGAL. 1,000 gallons, the basic measurement for water and wastewater billing.

KW. 1,000 watts, the basic measurement for electrical power. Metered kilowatt demand is integrated over a 30 minute period.

KWH. 1,000 watt-hours, the basic measurement for electric energy consumption. One kWh will light a 100-watt light bulb for ten hours.

LATE FEE. A 2% late fee will be charged on an **unpaid balance** of at the close of business on the 21st day following billing. [Sec. 7-14(e), Gainesville Code of Ordinances]

LOCAL COMMUNICATIONS TAX. A local communications services tax levied by cities and counties on communications services charges for service provided by GRU in their respective jurisdictions. [Sec. 202.19, Florida Statutes]

MB. One million bytes, or more precisely 1,048,576 bytes, a common unit of computer storage.

RETURNED PAYMENTS. A fee of \$20 or 5% of the amount of the transaction, whichever is greater, will be charged for any returned payment. Accounts may be placed on a **cash only** payment basis for two (2) or more returned checks in a 12-month period. [Sec. 27-14.3, Gainesville Code of Ordinances]

SOLID WASTE FEE. A fee levied by the City for garbage, yard waste, and recycling service. [Sec. 27-76, Gainesville Code of Ordinances]

STATE COMMUNICATIONS TAX. A state communications services tax levied by the State of Florida on communications services charges. [Sec. 202.12, Florida Statutes]

STATE SALES TAX. A tax levied by the State of Florida on nonresidential electric and gas charges. [Sec. 212.05, Florida Statutes]

STORMWATER FEE. A fee levied by the City to fund the Stormwater Management Utility Program. [Sec. 27-236, Gainesville Code of Ordinances]

THERM. 100,000 British thermal units (Btu's), the basic measurement of heat content for gas.

UTILITY TAX. A 10% tax levied by cities and counties on electric, gas, and water charges. [Sec. 166.231, Florida Statutes]

WASTEWATER BILLING. Nonresidential customers are billed for 95% of water consumption. Residential customers are billed on the January and February bills for 100% of water consumption; for all other months, billing is based on the **lesser** of actual water consumption or the winter maximum. Irrigation meters are not billed wastewater charges.

WATER/WASTEWATER SURCHARGE. A 25% surcharge levied on water and wastewater charges to customers receiving such service outside City limits. [Sec. 27-128(b) and 27-169(b), Gainesville Code of Ordinances]

WINTER MAXIMUM. The maximum of a customers average daily water consumption for the immediately preceding January or February billing periods times 30.4 days. The system average is used for a customer who has not yet established a winter maximum.

HOW TO READ YOUR METER

Read the dials from left to right, recording the number each pointer has just passed. Each dial turns the opposite direction from the one next to it. When the pointer lies between numbers, record the lower number except when the pointer is between 9 and 0 record 9 because 0 means 10 in this position.

On the meter dials shown to the right:

NOTE. If a pointer appears to be directly on a number, as in dial C above, the pointer position on the next dial to the right will determine the correct reading. In the reading shown, Dial C is recorded as a 4.
