

Update to City Health Plan Related to COVID-19

The City of Gainesville and Florida Blue are actively engaged in the COVID-19 fight and are committed to supporting our employees as this difficult situation evolves.

To further support members of the City of Gainesville's Group Health Plan, we are waiving co-pays, deductibles and coinsurance for all COVID-19 treatment services – including inpatient hospital admissions.

To help hospitals accelerate appropriate discharges and support bed capacity, The city's health plan is also waiving prior authorization requirements for patients being transferred from inpatient acute hospital settings to post-acute care facilities (Long Term Acute Care Facilities, Skilled Nursing Facilities and Inpatient Rehabilitation) consistent with Florida Blue products.
