

Analyze & Save

Looking for ways to save money at your business?
Our certified energy managers can help you lower
your bills by:

- Analyzing your business for inefficient equipment
- Reviewing your business's energy and water history
- Making energy recommendations that are customized to fit your business's needs

At your service with business solutions.

Let's lower your bills.

Call 352-393-1460 and
ask about our free energy
and water surveys or visit
www.gru.com/mybusiness
for more information.
