# *Natural Gas:*

## COST-EFFECTIVE, CLEAN, SAFE, ABUNDANT & EFFICIENT

YOU HAVE A CHOICE when it comes to replacing your major home appliances. Did you know that your water heater, clothes dryer, furnace and range are all more efficient when powered by natural gas? That means you save money over the long-haul with appliances that use clean, cost-effective and abundant natural gas. You'll enjoy top-of-the-line appliances and smaller utility bills.

*That's something we'd all choose.*

\*Some restrictions apply. Offer limited to eligible single-family home owners who replace their electric, oil or LP gas appliances with a natural gas model.

>> New customers receive a \$50 credit on your first month's bill when you mention Village Journal at Haile Plantation!\*
