

CREDIT LETTER

The City of Gainesville d/b/a Gainesville Regional Utilities (GRU) is a multi-service municipal utility of the State of Florida, organized and existing under the Laws of the State of Florida. The City of Gainesville is governed by a five member Gainesville Regional Utilities Authority (GRUA) appointed by the Governor of Florida. The GRUA appoints a Chief Executive Officer who is responsible for the overall administration of GRU. More than 850 employees help provide electric, natural gas, water, wastewater and telecommunications services to approximately 103,000 retail and wholesale customers.
