

More than Energy

**OFFICIAL PUBLIC
LIGHTING CATALOG**

OCTOBER 1, 2025

Public Light Rate Class (Non-Contributed):

This class of light rates are lights used by a governmental body, mainly the City of Gainesville or Alachua County Board of Commissioners (Public Works) which pays the monthly rental rate. The monthly Public Street Light Rate generally includes all materials including wire, the cost of installation, maintenance and energy of the light(s). The rental rate for lights does not include the rental rate of a pole to support the light. If a pole is necessary to support a rental light, a separate pole rental rate shall be charged in addition to the rental rate for the light. The monthly Pole Rental Rate generally includes the cost of installation and maintenance of the pole(s). The pole shall also be rented under this same class.

OFFICIAL rates can be found in the City of Gainesville-Code of Ordinances-Appendix A, which supersedes this and any other publications.

Public Agency Light Rate Class (Contributed):

This class of light rates are lights used by a governmental body, mainly the City of Gainesville or Alachua County Board of Commissioners (Public Works), and the monthly rental rate is paid for by the Public Agency. The Public Agency monthly rate, which allows the agency to buy down the rental rate, generally includes the energy charge and normal maintenance cost. The rates for lights do not include the installation of poles. The installation cost (materials, including wire, GRU engineering, construction cost and overheads) for lights and poles (if needed) shall be paid for up front by the governmental body responsible for the monthly rental charges prior to installation by GRU.
